

# Springbok – Front-End Developer

## Front-End Developer

### Your job in a nutshell

As a Medior Front End Developer, you possess a solid foundation in front-end technologies and user interface design. Leveraging experience, you excel in translating design concepts into interactive and engaging web experiences.

### What you'll do

- Develop state of the art web applications with clean and performant code.
- Be the point of contact for any front-end related questions and support the Web Development Team.
- Perform code reviews in pull requests.
- Assist in project estimates and provide hands-on assistance on different projects.
- Maintain the used Tech Stack by Springbok.

### What your colleagues have to say about the job

Jeremie (Full Stack Developer): *"As a full stack developer at Springbok,, you'll thrive in a dynamic environment where your skills are not only valued but continuously sharpened."*

### Your (growing) skillset

- Minimum 3 years of experience with TypeScript, modern JavaScript frameworks (React / Vue.js) and styling responsive websites and applications (CSS / Sass).
- Understanding of the Node.js ecosystem.
- Experience with the headless approach and consuming REST or GraphQL APIs.
- You know what it is like to work in an agile software development environment.
- You have analytical and problem-solving skills.
- You like to be challenged and are not afraid to learn.
- You have a creative approach to solving problems.

- You are fluent in English and Dutch **or** French.

### **Nice to have's**

- Experience with Design Systems, developing and documenting Web Components (Stencil.js, Storybook and Chromatic)
- Experience with modern PHP and Laravel
- Experience with containerization (Docker)
- Experience with CI/CD workflows and its characteristics

### **Your gains**

- You get a market-competitive salary, supplemented with interesting fringe benefits (meal vouchers, eco vouchers, hospitalization insurance, a phone subscription, a Mac with internet allowance, unlimited access to water/coffee/tea/fresh fruit and soup once a week, etc.).
- You have your own training budget and we organize company-wide training frequently.
- You have flexible working hours and the possibility to work from home two days per week.
- You have a 39-hour workweek, which gives you an extra 6 off work days, on top of the legal 20 holidays.
- We provide great and fun working conditions - just scroll through our social media.

### **Your office**

We have offices in Brussels, Mechelen, Antwerp & Ghent. You can pick the office that is most convenient for you!
