

Springbok – Senior Fullstack Developer

Your job in a nutshell

We're on the lookout for a talented Full Stack Developer to join our team. As a key member of our tech team, you'll have the opportunity to work on exciting projects, leveraging your expertise in both front-end elegance and back-end robustness to create seamless and user-centric solutions.

What you'll do

- You'll work closely with the Team Lead/Tech Lead of the Web Development Team.
- Writing state of the art front-end and back-end code is your cup of tea and you follow best practices.
- You'll work in a docker-based environment.
- The latest evolutions in Web Development? You know 'em.
- You'll be the point of contact for less experienced colleagues. This is something that gives you energy!
- You'll perform code reviews.

What your colleagues have to say about the job

Jeffrey (Full Stack Developer - Team Lead): "You can say Adobe is my life, and it's a good life. Here at Springbok there is always something happening, working together with different people who all have different expertises. The coffee breaks and Friday afternoon drinks aren't bad either."

Your (growing) skillset

- Minimum 7 years of experience with modern PHP.
- Minimum 5 years of experience with Laravel.
- Minimum 5 years of experience with TypeScript and modern JavaScript frameworks (React or Vue.js).
- Strong analytical, architectural and problem-solving skills.
- Understanding of the NodeJS ecosystem.
- Familiarity with headless approach, writing and consuming REST or GraphQL APIs.
- Familiarity with the "Atomic design" methodology
- Experience with Design Systems, developing and documenting Web Components (Stencil.js, Storybook and Chromatic).
- Dutch and English? Geen enkel *problem whatsoever*. French is toujours bien.
- Nice to have:
 - Experience with common CMS (WordPress, Drupal, Shopify).

- Experience with Symfony.

Your gains

- You get a market-competitive salary, supplemented with interesting fringe benefits (meal vouchers, eco vouchers, hospitalization insurance, a mobile phone subscription, a Mac with internet allowance, etc.)
- You have your own training budget and we organize company-wide training frequently
- You have flexible working hours and in coordination with your team lead the possibility to work partially from home
- You have a 39-hour workweek, which gives you an extra 6 off work days, on top of the legal 20 holidays
- We provide great and fun working conditions - just scroll through our social media

Apart from your skills, we are looking for a real cultural fit! We see new colleagues who contribute to a more diverse work environment as enriching our agency and our work.

Your office

In this role, you can choose to work from our offices in Mechelen, Brussels, or Ghent - whichever suits you best.

Mechelen

Your main playground will be the Mechelen office - our Creation/Strategy, Development & Campaigns hub, smack in the middle of the Arsenaal neighbourhood.

- Getting there is easy: just a 5 minute walk from the Mechelen train station and close to the Tangent connection if you prefer to travel by car.
- Plenty of parking space and EV charging posts
- +6 meeting rooms in all shapes and sizes and 3 phone booths
- Need lunch? Business center De Mot is just around the corner or order online from Mechelen's finest food shops.

Brussels

Your main playground will be the Brussels office - our Marketing Automation hub, situated in the EGG building.

- Getting there is easy: just a 5 minute walk from the Brussels South train station or on the N266 near "Studio Citygate".
- 2 Springbok meeting rooms and multiple others available in the building plus a phone booth.
- Need lunch? Brussels offers you endless options when it comes to yummy food - just take a stroll around the neighbourhood or order online.

Ghent

Your main playground will be the Ghent office - our Performance & CSR hub, situated next to the Citadelpark in a beautifully renovated townhouse.

- Getting there is easy: just a 14 minute walk from the Gent-Sint-Pieters train station or drive via the R40.
- 5 meeting rooms in all shapes and sizes and 2 phone booths.
- Need lunch? Ghent offers you endless options when it comes to yummy food - just take a stroll around the neighbourhood or order online.
